WEEK OF MARCH 28TH, 2011

Principal's Message

Dear KAO Team & Family,

It's about that time of year when our students prepare to show you, KAO, the state of California, and nation what they know! Our state testing is just around the corner in May. Having said that, we are working on several items to set KAO up for success in the areas of culture and curriculum. With curriculum, our teachers will begin reviewing the content they have taught since September and working with their students to improve on their individual areas of need.

Here's how you the parents/guardians can help out culturally:

We have been working school-wide on managing our impulses and being positive role models for fellow teammates. Continue to speak with your child and reinforce the importance of being nice and respectful. Feel free to check in with your child's teachers on how you can support them.

As always, I remain committed to your child's success and that of KIPP Academy of Opportunity. Thank you for your continued support of our school, our teachers, and most importantly, our kids.

Unity,

-Mr. Jutabha
