

KIPP Iluminar Academy

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	KIPP Iluminar Academy
Street	4800 East Cesar Chavez Ave.
City, State, Zip	Los Angeles, CA, 90022-1307
Phone Number	323-800-5218
Principal	Tania Hernandez
Email Address	thernandez@kippsocal.org
School Website	https://www.kipp.org/school/kipp-iluminar-academy/
County-District-School (CDS) Code	19-64733-0127670

2022-23 District Contact Information

District Name	KIPP Iluminar Academy
Phone Number	(213) 241-1000
Superintendent	Alberto M. Carvalho
Email Address	albert.carvalho@lausd.net
District Website Address	www.lausd.net

2022-23 School Overview

At KIPP Iluminar Academy we believe in working collaboratively with our families, we will support students with radical love as they brighten the future with critical thought and courage. Through social-emotional development, cultivating a love of life-long learning, and arts-based experiences, Innovators can have the opportunity to continue to thrive as resilient community members in whichever path they choose.

Cesar Chavez, a hero within our very own community, once said, “Students must have initiative; they should not be mere imitators. They must learn to think and act for themselves—and be free.” At the heart of our academic program is the understanding that students are not empty vessels waiting to be filled, or children that need to be taught to imitate, but that they come with rich experiences and beliefs about this world. We believe that the student and the teacher are partners and that both are participating in the work of discovery and learning. At KIPP Iluminar Academy we have three core components:

1. **Learning:** At KIPP Iluminar Academy our goal is to provide a strong college preparatory program from which each student will develop a love of learning, an ability to think critically, and an expanding curiosity about the world and its people. We consider certain skills to be essential for all students: read avidly, write clearly and coherently, make connections across content areas, and question thoughtfully.
2. **Social Emotional Learning:** At KIPP Iluminar Academy we believe that school is a place where students will grow academically while also growing their ability to learn invaluable skills that help them navigate their way through school as well as their community. We have adopted practices that include using the Second Step curriculum, Calm Classroom, and making time for morning meetings each day.
3. **Arts:** At KIPP Iluminar Academy we believe the arts play an integral role in developing the creative, imaginative, and expressive abilities of all children. For that reason we believe that the arts are an essential component of a well-rounded education. While at our school, our students will explore the visual arts, music, and physical education. By ensuring that the arts are a core part of our curriculum, our children matriculate with an ignited imagination.

2022-23 School Overview

About Our School:

At KIPP Iluminar we truly believe that it is our job to create classrooms that inspire innovation in our students, not only to prepare our students for college, but also to inspire them to make our world a better place. At the heart of the academic program you will find a belief that learning should be experiential, student-centered, and creative. With this in mind teachers encourage student initiative and ownership, foster dialogue, promote inquiry, and strengthen the critical thinking skills in all students. This will foster innovation, and in turn, students will matriculate from KIPP Iluminar Academy as innovative individuals who will go on to take risks for the good of our collective community.

KIPP Iluminar Academy students will leave the school after fourth grade prepared and inspired to pursue their passion.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	113
Grade 1	114
Grade 2	116
Grade 3	114
Grade 4	112
Total Enrollment	569

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	54.1
Male	45.9
American Indian or Alaska Native	0.0
Asian	0.4
Black or African American	0.4
Filipino	0.0
Hispanic or Latino	98.4
Native Hawaiian or Pacific Islander	0.0
Two or More Races	0.0
White	0.4
English Learners	25.8
Foster Youth	0.4
Homeless	1.1
Migrant	0.0
Socioeconomically Disadvantaged	84.7
Students with Disabilities	13.7

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	21.00	80.77	22369.20	82.26	228366.10	83.12
Intern Credential Holders Properly Assigned	2.00	7.69	714.60	2.63	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	3.00	11.54	1398.60	5.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.00	0.00	1060.30	3.90	12115.80	4.41
Unknown	0.00	0.00	1651.30	6.07	18854.30	6.86
Total Teaching Positions	26.00	100.00	27194.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	2.00	
Misassignments	1.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	3.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	19.60	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	42.10	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected		January 2023	
Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

Reading/Language Arts	<p>Our teachers grades Kinder through Third use the following curricula for English Language Arts:</p> <p>Phonics Program: Open Court Phonics along with teacher supplemented lesson plans</p> <p>Writing Program: Writing Workshop Curriculum</p> <p>Reading Comprehension: Reading Workshop Curriculum</p> <p>And throughout the day our teachers do teacher created small group plans for guided reading and standards based instruction.</p> <p>Technology enhanced programs: i-Ready, Lexia, Accelerated Reader, Reading A-Z</p>	Yes	0.0 %
Mathematics	<p>Teacher created lesson plans that are standards-based and supported by the Eureka Math program and Bridges (4th Grade only).</p> <p>Technology Based Program: i-Ready</p>	Yes	0.0 %
Science	Our teachers use the Amplify Science curriculum for all grades, K-4.	Yes	0.0 %
History-Social Science	Teacher created lessons based on the California State Standards for Social Studies.	Yes	0.0 %
Foreign Language	Our teacher uses the Spanish Language Art Program, Maravilla, along with teacher created lessons based on the California State Standards for Spanish.	Yes	0.0 %
Health	Teacher created lessons based on the California State Standards for P.E.	Yes	0.0 %
Visual and Performing Arts	Teacher created lessons based on the California State Standards for Visual Arts	Yes	0.0 %
Science Laboratory Equipment (grades 9-12)	N/A	Yes	0.0 %

School Facility Conditions and Planned Improvements

The KIPP Iluminar Academy campus is inspected monthly for safety and cleanliness. In August of 2015, KIPP Iluminar was moved into a beautiful, brand new facility. Currently, our campus has fully equipped music classroom, PE spaces, and all of our classrooms offer a welcoming and calm environment for all of our students. At this time we will continue to focus on the beautification and upkeep of our campus.

Our facilities underwent improvements that focus on the health and safety of students and staff. These improvements were a result of COVID-19 and will ensure everyone is healthy and safe while at school. Improvements include:

- * Upgrade to MERV13 air filters
- * Installation of touchless water bottle fillers
- * Installation of touchless hand sanitizer dispensers

Year and month of the most recent FIT report

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	47	N/A	41	N/A	47
Mathematics (grades 3-8 and 11)	N/A	38	N/A	27	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	223	222	99.55	0.45	46.85
Female	111	111	100.00	0.00	45.05
Male	112	111	99.11	0.89	48.65
American Indian or Alaska Native	0	0	0.00	0.00	0.00
Asian	0	0	0.00	0.00	0.00
Black or African American	0	0	0.00	0.00	0.00
Filipino	0	0	0.00	0.00	0.00

Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities	29	28	96.55	3.45	17.86

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	223	220	98.65	1.35	37.73
Female	111	109	98.20	1.80	31.19
Male	112	111	99.11	0.89	44.14
American Indian or Alaska Native	0	0	0.00	0.00	0.00
Asian	0	0	0.00	0.00	0.00
Black or African American	0	0	0.00	0.00	0.00
Filipino	0	0	0.00	0.00	0.00
Hispanic or Latino	221	218	98.64	1.36	37.61
Native Hawaiian or Pacific Islander	0	0	0.00	0.00	0.00
Two or More Races	--	--	--	--	--
White	--	--	--	--	--
English Learners	53	52	98.11	1.89	21.15
Foster Youth	0	0	0.00	0.00	0.00
Homeless	--	--	--	--	--
Military	0	0	0.00	0.00	0.00
Socioeconomically Disadvantaged	94	92	97.87	2.13	33.70
Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities	29	27	93.10	6.90	3.70

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8 and high school)	NT		25.29	20.02	28.5	29.47

2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
-------------	----------------------------------	--------------------------------------------------------	-------------------------------------------------------------------	---------------------------------------------------------	-----------------------------

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

At KIPP Iuminar Academy, we see our families as valuable partners. We believe that in order to meet our ambitious goals, we need to cultivate our family relationships. We also know that involving families in their child's education will further empower their children to climb the mountain to and through college.

Through post-pandemic, opportunities for parent involvement on and off campus have been limited but are becoming available again. Our Cafecitos meetings, led by our school Administrative team, provide families with a deep look into school operations and rely on their feedback to make crucial decisions for the entire campus. Cafecito with Mrs. Hernandez, an informal virtual meeting, in which families can ask our principal questions, has also become a vital part of our family involvement at KIPP Iuminar.

We are committed to working with families to provide the targeted strategies and resources that will best help families to support their child at home to reach their end of year goals. We partner with community organizations that provide information and resources to families to help their children continue to learn outside of the classroom. This year we have partnered with PBS Kids. They are providing monthly workshops to interested families. Additionally, we hold three mandatory family meetings throughout the year called Achievement Afternoons that are specifically tailored to the needs of each grade level and how families can support their innovators at home.

For more information related to these and other parental involvement opportunities, please contact our Family Engagement Lead, Sofia Carrasco, at scarrasco@kippsoal.org.

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	581	570	144	25.3
Female	317	309	75	24.3
Male	264	261	69	26.4
American Indian or Alaska Native	0	0	0	0.0
Asian	2	2	1	50.0
Black or African American	2	2	0	0.0
Filipino	0	0	0	0.0
Hispanic or Latino	571	561	141	25.1
Native Hawaiian or Pacific Islander	0	0	0	0.0
Two or More Races	0	0	0	0.0
White	3	2	1	50.0
English Learners	150	148	41	27.7
Foster Youth	2	2	1	50.0
Homeless	8	8	2	25.0
Socioeconomically Disadvantaged	490	484	126	26.0
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	83	81	22	27.2

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.44	2.45
Expulsions	0.00	0.02	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	0.00	0.00	0.46	0.20	3.17
Expulsions	0.00	0.00	0.00	0.02	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00

Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2022-23 School Safety Plan

The school safety and emergency preparedness plan is fully reviewed annually and was last updated and reviewed on October 2022. The safety plan outlines what we do for every emergency situation and details the roles of each staff member. Some things included in the plan are - what to do during an emergency (which includes earthquake, fire, or lockdown), emergency numbers to call if needed, and staff directory. Teachers and staff are provided with a Safety Training once at the beginning of the school year in August, in October before the Great Shake drill, and again in April as a Spring Safety refresher. Students practice monthly during emergency drills. Regular fire, lockdown, and earthquake drills are scheduled so that all students and staff are familiar with the School Emergency Plans. All KIPP Iluminar classrooms are equipped with emergency materials in the event of a fire, lockdown, or earthquake.

In the event of an emergency, families will be notified as soon as possible utilizing the automatic Parent Square notification system. In this event, please make sure to listen to the entire message carefully. It is important for all families to keep their number up to date with the school office so emergency phone calls are received. The student emergency card will be used to release students in case of an emergency. Overall staff at KIPP Iluminar understand our safety plan and know what to do during emergency situations to ensure student safety is always a priority.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	29		28	
1	30		27	1
2	27	7	23	5
3	37		20	8
4	36		19	8

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	32		15	
1	28		20	
2	29		19	1
3	28		20	
4	28		20	
Other	6	1		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	28		20	
1	27	1	20	
2	26	2	20	
3	27	1	20	
4	25	2	20	
Other	3	4		

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	284.5

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	2.0
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	5.1

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13,282	\$4,053	\$9,228	\$68,220
District	N/A	N/A	\$8,796	\$78,635
Percent Difference - School Site and District	N/A	N/A	4.8	-14.2
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	33.3	-22.3

2021-22 Types of Services Funded

KIPP Illuminar Academy offers several programs and services to assist and support our students and families. Our instructional program provides core subject and enrichment activities for 556 students, grades TK to 4th. Core subjects include literacy, math, science, and social studies.

KIPP Illuminar Academy offers enrichment classes to all our students to ensure they are exposed to vast subjects. All our students have dance, music, art, and Spanish class three times a week. These classes enhance student learning and add a distinctive aspect to the curriculum they currently have. In dance our students learn basic dance techniques and even get exposed to ballet. In art class our students develop skills to paint, draw, color and use their creativity to create works of art. In Spanish, our teacher integrates grammar and writing skills to be able to communicate in both oral and writing in the Spanish Language.

KIPP SoCal offers an ASES funded Extended Learning Program to assist and support our students. The goal of our program is to continue the support students are receiving during the regular school day in a safe constructive environment during after school hours. Our program provides literacy and enrichment activities for grades K to 4th. Every student in our program participates in a daily literacy and enrichment component. Our literacy programs provide tutoring and homework help in the core areas of reading, language arts, mathematics, and science. Students use software to make sure they are reading and completing math at their individual levels. Students participate in at least one hour daily in a literacy element. Our educational enrichment programs align with the school's academic program and include, but are not limited to, recreation and prevention activities such as dance, soccer, and youth development strategies like performing arts, and music. Other enrichment activities are implemented based on the students' needs and interests.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$46,587	\$51,081
Mid-Range Teacher Salary	\$74,412	\$77,514
Highest Teacher Salary	\$92,389	\$105,764
Average Principal Salary (Elementary)	\$124,878	\$133,421
Average Principal Salary (Middle)	\$136,594	\$138,594
Average Principal Salary (High)	\$138,948	\$153,392
Superintendent Salary	\$350,000	\$298,377
Percent of Budget for Teacher Salaries	27%	32%
Percent of Budget for Administrative Salaries	5%	5%

Professional Development

KIPP Illuminar Academy is grounded in the belief that teachers are the key levers that boost student achievement; thus quality professional development for teachers to help KIPP students excel academically is essential.

Teachers participate in professional development one afternoon per week for 2-3 hours when students have a minimum day. This time is used to analyze data from interim and formative assessments, and to address instructional trends going on in the classroom and ways in which the students can be better served. The interim assessment results are analyzed every 6-8 weeks, whereas the results of formative assessments are analyzed bi-weekly. Topics include improving check for understandings, incorporating literacy across all contents, or enhancing differentiation for English Learners.

Professional development is delivered through weekly team internalization meetings, one-on-one meetings, and live coaching done during observations. Development has focused on phonics execution and alignment of our new curriculum, Open Court Reading. We have also done development around student engagement strategies for remote learning and reading intervention.

Additionally, differentiated meetings are content-level and grade-level department meetings that each happen once a month. In content meetings, teachers in the same content area meet to review each other's assessments and provide instructional support. As a content group, they also have several opportunities throughout the school year to conduct excellent school visits in an effort to improve their instructional practices for their students.

Grade-level department meetings led by the Grade Level Facilitator provide teachers with an opportunity to work out logistical details for upcoming events, discuss the needs and academic progress of individual students, and implement school-wide systems.

Another integral component of professional development at KIPP Illuminar Academy is the observation-debrief cycle (coaching cycle). The School Leader or Dean formally observes teachers. Following the observation, the School Leader or Dean and teacher will discuss student learning based on student data and notes from the observation.

In addition to KIPP Illuminar Academy's school-wide professional development, teachers and administrators benefit from regional professional development opportunities facilitated by KIPP SoCal Schools. Several times per year, teachers and staff from all of KIPP SoCal's schools in South and East Los Angeles gather for an intensive day of workshops, trainings, and networking led by internal and external facilitators.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	46	54	54
