# California Department of Education <br> School Accountability Report Card <br> Reported Using Data from the 2016-17 School Year 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### Abstract

About Our School

KIPP Scholar Academy is a tuition-free public charter middle school that opened in summer 2012 in South Los Angeles. KIPP Scholar Academy serves 376 fifth, sixth, seventh and eight grade students in 2017-2018.

KSA is part of the national KIPP (Knowledge Is Power Program) network of schools. We are operated by KIPP LA Schools, a charter school management organization.

KSA's mission is to develop students into scholars who possess the academic, intellectual, and social skills to succeed in high school, thrive in college, and positively impact our world.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

| Mathematics (grades 3-8 and 11) | 32\% | 26\% | 29\% | 30\% | 36\% | 37\% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2016-17)

| Student Group | Total Enrollment | Number Tested | Percent Tested | Percent Met or Exceeded |

| Students with Disabilities | 49 | 49 | 100.00\% | -- |
| Students Receiving Migrant Education Services |  |  |  |  |
| Foster Youth | -- | -- | -- | -- |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note:The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

## Opportunities for Parental Involvement (School Year 2017-18)

KIPP Scholar Academy is committed to involving parents in their child's learning. Parents are encouraged to attend regular Parent Action Committee meetings, family activity nights, parent confrences, as well as regularly volunteer at KIPP Scholar Academy. We offer opportunities for parents to join in the planning and execution of school activities such as the Winter Concert, fundraising events, Spring Festival, and more. They often have the opportunity to take the lead with these projects and help plan the events from the ground up. Parents can also volunteer in their child's classroom, office, during morning drop-off, and many other times throughout the day. Parent volunteer opportunities are announced through our monthly family newsletter and through notices sent home to families.

## School Safety Plan (School Year 2017-18)

Monthly safety drills are held to ensure that all students and staff are prepared in the event of an emergency or natural disaster. The school site operations team also goes through a regional focusing session at the beginning of each year to make sure that the safety plan is ready to be executed throughout the school year.

KIPP Scholar Academy offers an ASES funded afterschool program to assist and support our students. The goal of our program is to continue the support students are receiving during the regular school day in a safe constructive environment during after school hours. Our program provides literacy and enrichment activities for 140 students, grades 5th to 8 th. Every student in our program participates in a daily literacy and enrichment component. Our literacy programs provide tutoring and homework help in the core areas of reading, language arts, mathematics, and science. Students use software to make sure they are reading and completing math at their individual levels. Students participate in at least 1 hour daily in a literacy element. Our educational enrichment programs align with the school's academic program and include, but are not limited to, recreation and prevention activities such as football and cheerleading, youth development strategies like performing arts, music, and dance. Other enrichment activities are implemented based on the students' needs and interests.

## Professional Development

KIPP Scholar Academy's staff holds professional development-focused meeting every week. During these meetings, several topics are discussed, including: student academic performance on Skills Assessments, analysis of school culture for each grade level and content area, data analysis, best practices, school culture and vision analysis. Teachers and staff also visit schools that exemplify excellence, and participate in team-building professional development opportunities continuously throughout the year.
