School Description

KIPP Raíces Academy is a free, open enrollment, college-preparatory public school in East Los Angeles, which opened in August 2008 with 100 Kindergarten students. Our school has grown one grade level per year and now serves 583 transitional kindergarten through 4th-grade students. 82.4% of our student population qualifies for free or reduced lunch, 98% of students are African/American or Hispanic. The mission of KIPP Raíces Academy is to teach the knowledge and skills, nurture the confidence and character, and inspire the passion needed for students to achieve their goals, excel in the competitive world, and positively impact the community through excellence in thought and action.

KIPP Raíces Academy is a part of KIPP, the Knowledge Is Power Program, a national network of college-preparatory public schools in under-resourced communities throughout the United States with a proven track record of success. Our school is driven by the core operating principles of the five pillars that all KIPP schools share as follows: high expectations, focus on character, highly effective teachers and leaders, safe, structured, and nurturing environments, and KIPP Through College. Further, our school culture is driven by our four values of love, honor, integrity, and excellence, and our school rules of be safe, work hard and be nice.

KIPP Raíces Academy offers a rigorous instructional program that builds the needed foundation to ensure our students' success in the future. The program nurtures well-rounded critical thinkers who love learning while preparing them to master the California and Common Core standards by engaging in authentic work. KIPP Raíces Academy fosters the positive development of the whole child. Art, creative play, balanced literacy, physical education, character development, and good nutrition are all critical components of a KIPP Raíces education. Beyond the focus of our students performing at or above grade level in reading and mathematics, our students are artists, scientists, musicians, authors, athletes, and agents of change who develop projects to impact the community. Our students are independent learners who are invested in driving their own learning to meet their goals. In 2014, KIPP Raíces Academy was recognized as a California Distinguished School and in 2015 was recognized as a National Blue Ribbon School.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The KIPP Raíces Academy campus is inspected monthly for safety and cleanliness. For ongoing building maintenance our school gets evaluated by a regional operations lead, this evaluation is called a Facilities Snapshot.

Below are some of the highlights in our Facilities Snapshot

- All areas of exterior grounds are clean and organized in a manner that inspires staff and students to take pride in campus grounds. All areas of exterior landscaping are well-maintained and appear healthy.
- The main office creates a warm and welcoming environment for staff, students & families. Entering the building presents a very attractive, inviting appearance that draws one in and makes you feel that you are in an exceptional facility.
- The building interior is well-maintained and appears healthy in a way that complements the appearance of the campus and inspires a culture where staff and students take care of campus grounds.
- Common areas are clean and organized. Air quality is odor-free.
- Restrooms are being deep-cleaned. Air quality is odor-free.
- Classrooms are clean and organized in a manner that inspires staff and students to take pride in campus grounds.

We currently do not have any students or staff on campus, but here is a list of improvements that we have done onsite to ensure health and safety.

- Signage for the following:
- Face Masks Required
- 6ft Physical Distance
- Hand washing protocols
- Building Entrance sign in and out process
- Maximum number of people allowed in shared spaces

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	70	N/A	34	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

KIPP Raíces Academy highly values parental involvement in school activities. Many times throughout the year we offer opportunities for parents to join in the planning and execution of school activities such as the Winter Concert, fundraising events, October Extravaganza, La Feria, and more. They often have the opportunity to take the lead with these projects and help plan the events from the ground up. Parents can also volunteer in their child's classroom, office, during morning drop-off, afternoon dismissal, and many other times throughout the day. Parent volunteer opportunities are announced through our weekly family newsletter, Parent Action Committee (PAC) meetings, and through notices sent home to families. Lastly, parents get to engage with Administrators during quarterly "Coffee with Admin" events.

Currently, due to the COVID 19 pandemic, KIPP Raíces Academy is doing distanced learning with all students. Because it is important to keep parents involved and updated with school information, we have continued to communicate through virtual events. Our weekly family newsletter is sent to parents with all the latest information via our Parent Square application. We also have have a monthly "Coffee with Administration" zoom meeting where parents are invited to listen in on a few topics but it is mostly time for parents to ask questions and speak directly to administration. For more information related to these and other parental involvement opportunities, please contact our Family Engagement Lead, Chris Hofmann, at chofmann@kippsocal.org.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

KIPP Raíces Academy's school safety plan is reviewed and revised annually and was last updated on October 10, 2020. It is over 100 pages long and it incorporates the following elements (among others):

- Visitor Policies and Procedures
- Incident Command System and Roles
- Emergency Response Training (Earthquake, Lockdown, Fire, Shelter-in-Place)
- Family Reunification Systems and Procedures

This plan has been shared with various school stakeholders including teachers and parents that are part of our School Site Council. Teachers are trained on the various components so they are aware of our policies and emergency procedures. In addition, teachers are required to participate in three emergency and safety professional development sessions a year and take part in monthly school-wide drills. Our monthly drills ensure students and staff alike are practicing for all possible emergencies regularly. KIPP Raíces Academy also takes part in the CA Great Shake drill where we initiate our incident command center. During this drill, we complete search and rescue, have a first aid station, and practice reunification by allowing parents to "pick up their kids" during an emergency. This always serves as a great way for staff members to fully know their roles and ask questions if needed. Overall, staff at KIPP Raíces Academy understand our safety plan and know what to do during emergency situations, to ensure student safety is always a priority.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.2	0.8	0.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	26	44	46

At KIPP Raíces Academy 2-3 hours a week are scheduled for teacher professional development. The professional development schedule is set over the summer for the first half of the school year and a tentative schedule is set for the second half of the year. The areas of focus are determined based on a combination of logistical/administrative concerns and curricular needs. Priorities for professional development are based on teacher reflections from the end of the previous year. While engaged in distance learning, we have needed to be especially responsive to ongoing developments, such as providing development around technology usage, increasing student engagement in a virtual setting, and monitoring student learning progress in innovative ways.

Professional development focuses are spread out throughout the year and are revisited multiple times. Most of the professional development trainings are offered on Mondays when more student hours are devoted to asynchronous work. With rapidly developing information during distance learning, we have also found it necessary to add one additional training session after live lessons on Wednesdays. Some are also provided through conference attendance and individual mentoring. Teachers are supported through in-class observations, teacher-administrator meetings, and student performance data reporting.

Types of Services Funded

As a student at KIPP Raíces Academy, Achievers will explore Spanish, Physical Education, Art, and Music. Through the inclusion of these subjects in a regular school day, students build the foundational knowledge of each content area and identify specific areas that spark their individual passions. Special subjects allow creativity and curiosity to develop in a variety of ways, innately embracing the learning styles of each student. Through these subjects, students experience teamwork, problem-solving, and risk-taking in new and unique environments.

At KIPP Raíces Academy, we believe educating the whole child will teach our achievers the knowledge and skills needed to excel in a competitive world. Through collaboration, cross-curricular connections, and passion for our content areas, we provide a holistic avenue to inspire new passions in our students. Each member brings their own knowledge and expertise to our team, which combine to create a perfect whole.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
