## School Description

KIPP Scholar Academy is a tuition-free public charter middle school that opened in summer 2012 in South Los Angeles. KIPP Scholar Academy serves 392 fifth, sixth, seventh and eight grade students in 2019-2020.

KIPP Scholar Academy's mission is to develop students into scholars who possess the academic, intellectual, and social skills to succeed in high school, thrive in college, and positively impact our world.

KIPP Scholar Academy is part of the national KIPP (Knowledge Is Power Program) network of schools. We are operated by KIPP SoCal Public Schools, a charter school management organization.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

| Homeless | 1 |

## A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

| Teacher Credentials for KIPP Scholar Academy | $17-18$ | $18-19$ |
| :--- | :---: | :---: |
| With Full Credential | 20 | 19 |
| Without Full Credential | 9 | 15 |

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)
KIPP Scholar Academy is committed to involving parents in their child's learning. Parents are encouraged to attend regular Parent Action Committee meetings, family activity nights, parent conferences, as well as regularly volunteer at KIPP Scholar Academy. We offer opportunities for parents to join in the planning and execution of school activities such as the Winter Concert, fundraising events, Spring Festival, and more. They often have the opportunity to take the lead with these projects and help plan the events from the ground up. Parents can also volunteer in their child's classroom, office, during morning drop-off, and many other times throughout the day. Parent volunteer opportunities are announced through our monthly family newsletter and through notices sent home to families.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

At KIPP Scholar Academy the safety and security of our students and staff is our highest priority. The current safety plan was revised and reviewed on October 11, 2019. All staff members receive training in a variety of emergency scenarios and use practice drills conducted every month to ensure that all students and staff are prepared in the event of an emergency or natural disaster. The school site operations team also goes through a regional focusing session at the beginning of each year to make sure that the safety plan is ready to be executed throughout the school year. KIPP Scholar Academy also participates in The Great California Shake Out and practices initiating our Incident Command System on a yearly basis.

KIPP Scholar Academy's staff holds professional development-focused meetings one afternoon every week. During these meetings, several topics are discussed, including: student academic performance on Skills Assessments, analysis of school culture for each grade level and content area, data analysis, best practices, school culture and vision analysis. Teachers and staff also visit schools that exemplify excellence, and participate in team-building professional development opportunities continuously throughout the year.

## Types of Services Funded

KIPP Scholar Academy offers an ASES funded afterschool program to assist and support our students. The goal of our program is to continue the support students are receiving during the regular school day in a safe constructive environment during after school hours. Our program provides literacy and enrichment activities for 140 students, grades 5th to 8th. Every student in our program participates in a daily literacy and enrichment component. Our literacy programs provide tutoring and homework help in the core areas of reading, language arts, mathematics, and science. Students use software to make sure they are reading and completing math at their individual levels. Students participate in at least 1 hour daily in a literacy element. Our educational enrichment programs align with the school's academic program and include, but are not limited to, recreation and prevention activities such as football and cheerleading, youth development strategies like performing arts, music, and dance. Other enrichment activities are implemented based on the students' needs and interests.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
