

Mental Health Crisis Support: Covid-19 School Closure

Mental Health Emergency	Suspected Child Abuse
<p>If a student is experiencing a mental health crisis and needing immediate emergency support, contact 9-1-1.</p> <p>Notify your School Counselor or Mental Health & Support Services Team Manager if a 9-1-1 call is made so appropriate follow up and support can be arranged.</p>	<p>ALL KIPPSC staff are Mandated Reporters.</p> <p>If child abuse is suspected, it is not the job of KIPPSC staff to investigate, but rather, to report it. It is the responsibility of the KIPPSC staff who suspects abuse or receives a report of abuse from a child or parent to make the report to DCFS/CPS.</p>
	<p>Mandated Reporter Hotlines: DCFS LA County: (800) 540-4000 CPS SD County: (800) 344-6000</p>

Non-Emergent Mental Health Support
<p>KIPPSC School Counselors will not be performing school-based risk assessments during the Covid-19 Closure, but are still available to consult with you.</p> <p>Los Angeles County DMH ACCESS team and County of San Diego Psychiatric Emergency Response Team (PERT) are available to provide our students with in-home immediate mental/behavioral health assessment. Here is how they can be contacted:</p> <p style="text-align: center;">LA ACCESS: (800) 854-7771 SD PERT: Call 9-1-1 or Southeastern Division Police Precinct at (619) 527-3500</p>
<p>Call 2-1-1 for Mental Health Resources and any other resources families may need</p>
